## **DETAILED ACTION**

### ***Priority***

Applicant has not complied with one or more conditions for receiving the benefit of an earlier filing date under 35 U.S.C. 120 as follows:

The replacement reference filed 4/13/05 for consideration under 37 CFR 1.78(a)(2) must be submitted during the pendency of the application, and within the later of four months from the actual filing date of the application, or sixteen months from the filing date of the prior application; neither condition has been met, the failure to timely submit the replacement priority claim required by 35 U.S.C. 120 is considered a waiver of any benefit under 35 U.S.C. 120 to the prior applications cited in replacement paragraph [0001] of the instant application.

### ***Response to Amendment***

By the amendment filed on 4/13/05, this application is claiming a new benefit of priority under 35 U.S.C. 120; Copendency between the new priority and the prior priority history would be required if the claim was timely proper.

The Applicant is invited to explain why the current priority claim to abandoned applications 10/038,925 and 09/459,962 and 09/103,050 is absent the newly submitted priority claim.

***Response to Arguments***

Applicant's amendment filed 4/13/05 has been fully considered, it is not persuasive as discussed above.

***Conclusion***

Applicant's amendment necessitated the maintenance of the rejection presented in the non-final Office action mailed 9/30/04. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
